Law

The academic law list at Oxford has a strong tradition of developing exceptional work across the full breadth of legal scholarship. Our publications range from the foundations of legal history and philosophy to analytic and comparative work on legal doctrine and empirical research on law in modern society. Oxford Scholarship Online includes new titles from our series: Oxford Studies in European Law, Oxford Monographs in International Law, Oxford Monographs in Criminal Law and Justice, Clarendon Studies in Criminology, Oxford Monographs in Labour Law, Oxford Studies in Modern Legal History, Oxford Studies in International Economic Law, and the International Courts and Tribunals series, alongside many other works selected from our legal publishing.
