

# WORRIED ABOUT ASSESSMENT CENTRES?

Aspiring Solicitors is pleased to host a mock assessment centre! This event is being run with the assistance of the in-house legal team at **Barclays** and **Accutrainee**.

The event will include mock assessments with all students benefitting from the experience and advice of an advisor from one of the two companies!

This is a fantastic opportunity to get feedback from those in the know and not one to miss!

Anyone wanting to take part should register on the CareersHub website by going to <http://goo.gl/8tMZK7>.

***\*The event will be followed with a drinks and networking session!\****
